

INFORMATION ON THE PROCESSING OF PERSONAL DATA PURSUANT TO EU REGULATION 679/2016.

Pursuant to Articles 12-14 of the EU General Data Protection Regulation n. 2016/679 ("GDPR"), we hereby provide you with the information regarding the processing of your personal data that will be carried out by Industrie De Nora S.p.A, with registered office in Milan, Via Bistolfi 35 (hereinafter the "Controller"), in relation to the *Edge Innovation Hub* initiative (the "Initiative").

1. PURPOSE OF PROCESSING AND LEGAL BASIS

Personal data collected (*i.e.* identification data, such as name and surname, and contact details, such as e-mail address) will be processed for the execution of the Initiative and, in particular, for the purposes described below:

- Access to the Platform and its contents;
- Submission of the application;
- Selection of proposal;
- manage contacts and relationships between you and our company.

This processing is carried out in accordance with Article 6(1)(b) GDPR in order to comply with your request to take part in the Initiative.

Moreover, personal data may be processed for purposes related to the fulfillment of specific obligations provided for by laws, regulations, national and/or supranational sources, as well as deriving from measures of judicial and administrative Authorities legitimized to do so and supervisory and control bodies. The personal data may also be processed in order to respond to requests from public authorities (such processing is carried out in accordance with Art. 6(1)(c) GDPR).

The personal data may also be processed whenever necessary for the purpose of establishing, exercising or defending a right of the data Controller (such processing is carried out pursuant to Art. 6(1)(f) GDPR).

2. PROCESSING MODALITIES

Personal data are processed by the Controller with the aid of electronic tools with organization and processing logic strictly related to the purposes above-mentioned and, in any case, in such a way as to ensure the security and confidentiality of the data.

Processing of personal data is carried out only by authorized personnel ensuring security and confidentiality.

In the event of refusal of provision of the above-mentioned personal data, participation in the Initiative will not be possible.

The personal data provided will be processed and collected in full compliance with the GDPR, in accordance with the provisions of law, by mean of modalities and within the limits to pursue the aforementioned purposes. If the Controller intends to use the collected personal data for any other purpose incompatible with the purposes for which they were collected or authorised, it will inform you in advance.

3. PERSONAL DATA RETENTION POLICY

The Controller keeps the data collected on cloud in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data were collected or subsequently processed in accordance with the law.

At the end of this period, the data will be destroyed and/or deleted by the Controller.

The Controller maintains the right to retain personal data for a further period of time if this is strictly necessary for the protection of the data subject's and the data controller's rights, to fulfill legal obligations or to comply with orders of the judicial, administrative, control authorities.

4. CATEGORIES OF RECIPIENT OF PERSONAL DATA

The Controller, for the purposes referred to in Article 1 of this privacy notice, may communicate personal data to:

- collaborators and employees, duly authorized, who have been entrusted with specific processing activities;
- Group Companies, when strictly necessary to follow up on the Initiative.

- third parties who provide services instrumental to the processing of personal data or the implementation of the Initiative carried out by the Controller such as, by way of example, IT service companies, consulting firms, legal and accounting service providers;
- public administrations, judicial authorities, administrative authorities, consultants and consulting companies as well as law enforcement agencies to fulfil specific legal obligations.

The transfer of information will always take place in compliance with the principles and conditions of legitimacy established by EU Regulation 2016/679. You can request more information about these transfers by contacting our company at the addresses below.

5. DATA CONTROLLER

The Data Controller Industrie De Nora S.p.A, with registered office in Milan, Via Bistolfi 35.

6. RIGHTS PROVIDED FOR BY LAW TO DATA SUBJECTS

In compliance with Article 15 et seq. of Regulation EU 679/2016, you have the right to know, at any time, what data we have and how these are used. You also have the right to update, supplement, amend or cancel them, to block them or to object to their processing wholly or partly.

In case of breach of their rights, data subjects may contact the relevant supervisory authority pursuant to Article 77 of Regulation EU no. 679/2016, without prejudice to the possibility of directly addressing to the judicial authority.

In order to exercise the rights listed above, with regard to the processing carried out by Industrie De Nora SpA, you may apply to our Data Protection Officer, using the e-mail dpo@denora.com.
